

# **SPECIAL NOTICE**

## **for DoD NAF employees and retirees who live in certain areas**

The medical plan options that are available to you are based on your home zip code. The Open Choice® PPO network that services your zip code area is still under development and includes a limited number of available physicians, hospitals and other health care providers. As a result, you are eligible to enroll in either the Open Choice PPO Plan or the Traditional Choice® Indemnity Plan. Your enrollment package contains information about both plans. Please keep in mind that once you enroll in a plan, you cannot change your election until the next Annual Plan Selection or Open Enrollment period. Please review your enrollment materials carefully and follow the enclosed enrollment instructions.

For a listing of participating Open Choice providers in your area, visit DocFind®, Aetna's online provider directory located at [www.aetna.com](http://www.aetna.com).
